Enjoy the Official Drink of the Derby - "Sweet Virginia Breeze"

It's our own Mint Julep! We asked area bartenders to come up with Virginia Derby drink recipes using locally produced Cirrus Vodka, and the top 5 were entered into a competition at the track several weeks ago.

The winner, *Sweet Virginia Breeze*, was submitted and created by Cole Bucholtz of Richmond's Stronghill Dining Company. Make sure to try one on Derby Day and proceeds will benefit a Central Virginia children's charity.
